Robert Chapa, Certification Reviewer

Quality Certification Services, a USDA National Organic Program and ISO-65 compliant certification program, has determined, based on a review of the above named entity's application and records, and inspection of its fields, facilities and processes, that the above named entity meets or exceeds the appropriate and applicable standards of organic production, handling, and processing. In displaying this certificate, the Certified Entity warrants that it is in, and will remain in, full compliance with the organic standards set by the USDA National Organic Program. Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked.

This Product Verification Form is provided to describe the certified products and the organic standard, equivalence arrangement and/or export arrangement to which compliance has been verified. It is valid only with the corresponding organic certificate(s) and does not replace the organic certificate. QCS issues separate organic certificates for USDA National Organic Program (NOP) and European Union EC 889/2008 & 834/2007.
